

world**MS**day

Multiple Sclerosis & Parkinson's Canterbury

would like to invite you to

Progress in MS Research and Treatment

PRESENTATION BY

PROF. DAVID MILLER

Wednesday 27 May 2015, 7-8 pm

The Transitional Cathedral, 234 Hereford St

Professor Miller will talk about some of the new developments in MS treatment and research, as well as give an update on the
"New Zealand National MS Incidence Study"

David Miller is Professor of Clinical Neurology at the Institute of Neurology, University College London and a Consultant Neurologist at the National Hospital for Neurology and Neurosurgery, UCLH, London. He is also Honorary Professor at the Department of Medicine, University of Otago, Christchurch.

All are welcome to attend. No charge, but a gold coin donation would be appreciated. There is plenty of street parking nearby and a disabled car park in the staff carpark off Madras Street.
